Creative Power for Mac.®

Speed is what you need when you're editing video, managing photo shoots, and working on big design projects. With FireWire® 800 and eSATA connectivity WD's My Book Studio Edition delivers. This powerful product gives you the tools you need to back up important projects to multiple destinations and synchronize project files to keep them current and secure. Set it and forget it; every time you save a change it's automatically backed up.

The drive is nestled in an elegant, small-footprint enclosure, reminiscent of a book, and provides massive storage capacity without overcrowding your desk.

Protect your creative masterpieces with automatic backup.

Capacity gauge shows available storage space.

High-speed FireWire 800 and eSATA connections.

Compact design fits right in.

Powers on and off with your computer.
